Got it. They will of course be business class for the international flights.

We probably won't get a flight itinerary until Monday but I think at this point we keep your current flight to DC and put something together from Dulles to Moscow and then back to DSM.

Please review this offer. It means I would be leaving 2 days earlier.

I would like to change my itinerary. Note I will already be in dc when I need to leave.

This is officially a complicated schedule.

Nick. Have nra travel agent start working on Iowa to dc to Russia to Iowa.

Note this will a business class trip.

**Subject:** Another Piece of Thanksgiving Pie!

Dear Pete,

Happy late Thanksgiving! I have something, as Americans say, to add to your «pile of blessings»! I just got the confirmation from the largest Russian gun manufacturer that they have cleared all security hurdles and would love for you to tour their facility on Monday, December 7. This one day trip for you and me would follow meetings in Moscow with representatives of other manufacturers on Sunday, December 6. I know that you are still preparing your schedule and don't yet know if you can arrive in Moscow a few days ahead of the main NRA delegation, but I wanted you to know that this would DEFINITELY be profitable for you if you could!

I am also attaching the (near) final Moscow itinerary for the NRA delegation that you'll now be leading — it is extremely interesting (with a last night surprise!). Everything should be clear with my background notes on the people you'll be meeting and places that you'll be visiting, but you can call or write to me at any hour (don't worry about the time difference between Iowa and Moscow) with questions or suggestions.

I look forward to your decision about your «Brownell-only» early VIP trip!  
It's very important.

Sincerely,

Maria
